Undergraduate Academic Affairs Committee
Thursday, April 6, 2023

Members in Attendance:

not be a perpetual pilot. This policy should be in place prior to curriculum credit being entered on transcripts. Faculty should be in control of what does get credit. The UAAC committee should decide what gets credit. I appreciate the Deans wanting to move forward, but this is different from authorizing credit for the Challenge exams.

Meeting Adjournment:

Dr. Dorsey adjourned the meeting at 10:33 am.

Next UAAC Meeting: May 4th, 2023
